CIRCULAR

Subject : - Verification of the Insurance Backed Cashless Medical Scheme (IBCMS) beneficiary details.

This relates to the regular/deputationists/retired employees/dependants of deceased employees who have opted for the Insurance Backed Cashless Medical Scheme (IBCMS) of the corporation

The beneficiaries of the scheme have been requested on multiple occasions to furnish accurate details such as date of birth of self and dependants, modifications in dependency (additions and deletions)/ change of names/spellings etc. It is however noticed that few employees/their dependants have still not furnished the desired information. It has also been noticed that the medical card details donot match the aadhar details resulting in denial of cashless treatment.

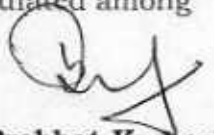

It is reiterated that since the cashless medical scheme is based on computerized operation, any error in dependancy details would cause inconvenience to the employees and their dependant family members. It is therefore mandatory that accurate details in r/o self and dependants are updated in the records of the Insurance Co. for smooth processing and avoid the denial of cashless facility. It is in the interest of beneficiaries to please check the list enclosed.

Employees including retired employees are once again requested to furnish the details of their dependant family members to the Personnel Division latest by **20.06.2018 1400 hrs** so as to include accurate details in the list of eligible beneficiaries of the cashless scheme. Employees may contact the Personnel Division at HQ.

It is reiterated that in case accurate details are not received by the stipulated date, no claim shall be entertained by DSIIDC or the Insurance Co. and it shall be presumed that the employee/dependant is not willing to be a beneficiary of the Insurance Backed cashless medical scheme.

All the HOD's are requested to kindly get this information circulated among employees.
