Officer Order

Subject: Insurance Backed Cashless Medical Scheme (IBCMS) for the medical policy year w.e.f. 29.7.2021 to 28.07.2022 and the use of buffer funds- regd.

This in continuation of the office order of even number dated 29.07.2021. The Insurance Backed Cashless Medical Scheme (IBCMS) for the medical policy year w.e.f. 29.7.2021 to 28.07.2022 has been renewed with a Sum Insured/family floater cover of Rs. 5.00 lac uniform for all categories of the beneficiaries. The entitlement of room during hospitalization shall continue to be on actual basis i.e. private ward (single room) for medical category A, semi-private ward (Twin/multi sharing) for category B and general ward for category C. Entitlement for the charges for ICU and Life support facility viz ventilator etc. shall also be admissible on actual basis.

Further, provision for corporate buffer funds has also been carved in the policy to cover expenditure in excess of the entitled family floater cover of a beneficiary. To provide relief to employees, of availing additional cashless facility for expenses beyond sum Insured/family floater of Rs. 5 lacs, it has been approved that an additional expense upto Rs. 1 lac (beyond sum insured of Rs. 5 lacs) would be considered for payment from corporate buffer fund with the approval of Managing Director, DSIIDC without insisting upon recommendation of Medical Committee. However, for reimbursement beyond Rs. 6.00 lacs (Rs. 5 lac + Rs. 1 lac) the past practice of recommendation of medical committee and approval of Managing Director, DSIIDC would be continued.

Also medical policy beneficiaries may kindly note, that such requests for cashless facility/reimbursement over and above the basic family floater cover is subject to scrutiny as per policy features, availability of corporate buffer funds and also exhaustion of self financed insurance coverage (if opted by the beneficiary).
