OFFICE OF THE RETURNING OFFICER, DSIIDC EPF TRUST ELECTIONS, 2019

No: DSIIDC/EPF TRUST ELECTIONS/RO/2019

Dated: 17.01.2019

Sub.: Casting of votes alternatively at the nearest Polling Station by some staff members posted at various distant community work centres at the nearest Polling Station on the day of Election i.e. 21.01.2019.

During the training programme conducted in the Office of Returning Officer today (17.01.2019), a question was raised by a member employee that due to the office working and long distance to travel, there is possibility that some of the employees posted at various distant community work centres may not reach to the designated Polling Station no. 2 (Udyog Sadan, Patparganj) where their names are linked/listed for casting the votes. This situation may lead to the possibility of their deprivation to cast vote in time.

In order to avoid such situation, a decision has been taken that the CWC staff posted at distant centres may cast their votes alternatively at the nearest Polling Station no. 1, 3 & 4 in case they feel unavoidable inconvenience to reach the designated Polling Station no.2 (Udyog Sadan) where they are linked/listed for casting the votes as per the notified list.

However, the Presiding Officer of the alternate polling station on the request of such voters will inform telephonically to the Presiding Officer of Udyog Sadan, Polling Station no. 2 to make necessary cross entries in his list of voters & in the list of alternate Polling Station.
