

OFFICE OF THE GENERAL MANAGER (VIGILANCE)

No. DSIIDC/GM (VIG.)/2015-16 / 587

Date: 18/6/2015

System Improvement Circular

The CTE, during its visit to one of the Housing Project in November, 2014, pointed as under :-

- (i) Scope of work of consultant includes structural design and design of other services also. No provision of performance liability insurance has been kept in the agreement to safeguard against failure due to design deficiencies.
- (ii) As per the agreement minimum 12.5% samples are to be taken by the third party inspection agency. However, there is no provision of penalty in case the samples taken are less than 12.5%. Similarly, there is a provision for engagement of sufficient manpower. However, nos. of personnel to be engaged and their qualification and the penalty in case of failure are not stipulated in agreement.

All concerned are hereby directed to adhere the above provisions in future NIT of the Projects.
