

PUBLIC NOTICE

Attn: Allottees of Industrial plots of DSIIDC under the Scheme of Relocation of Industries who did not construct their units so far.

Under the scheme of Relocation of Industries, DSIIDC started handing over the possession of industrial plots from year 2000 onwards. It has been observed that some of the allottees have not taken up construction of their factory buildings as yet.

The matter was placed before Govt. of Delhi and it has been decided to allow six months time w.e.f. 27.04.2010 to such allottees for getting construction of their units completed and starting industrial activities at their respective plots. In order to facilitate such allottees, DSIIDC has also requested the MCD to sanction building plans without NOCs from DSIIDC.

Accordingly, all such allottees may therefore construct their units within the stipulated time i.e. within six months from 27.04.2010. Further, all such allottees may deposit the penalties for delayed construction on usual terms on self assessment basis within the construction period i.e. latest by 31.10.2010.

To facilitate this entire process, to clarify any doubts and to help the entrepreneurs to avail finances, the DSIIDC & DFC will have their branch offices operational at the Bawana Industrial Estate throughout this six month period.

Kindly note that, this is the final opportunity for construction and operation of factory buildings within next 6 months i.e. by 31.10.2010, failing which the allotments are liable to be cancelled without any further notice.

Chief Manager (RL)
