(RELOCATION DIVISION)

NOTICE

**Attention Allottees of Bawana-II (Bhorgarh)
who have not deposited the interest portion
but the whole cost of plots stand deposited.**

Vide notice dated 17.10.2013, the allottees of Bawana-II (Bhorgarh) were allowed to deposit the interest portion for the delayed period by 31.12.2013. This extension was allowed in cases where the allottees had not deposited the interest portion for the delayed period while making payment (s) of the cost of plots, within the extended schedule period 30.06.2013.

Now, it has been observed that many allottees of this area are still to pay the interest portion on the delayed payments of the cost of their plots and apply for possessions. As such, it has been decided that only such allottees can deposit the interest portion for the delayed period by 30.06.2014. Therefore, all such allottees are required to contact this office to deposit their pending interest & simultaneously complete the requisite formalities for taking the possession of their plots by 30.06.2014 so that they can proceed for construction of their factory buildings and make their units functional at an early date. In case of failure to deposit the pending interest, if any, or to complete the requisite formalities of taking over possession by 30.06.2014, the allotments of the plots are liable to be cancelled without any further notice.

Here it is clarified that this notice is applicable in those cases where only interest portion is pending but the whole cost had already been paid by 30.06.2013. No further opportunity is given to pay balance cost of the plot at this stage and in all such cases where any portion of cost is pending, proceedings for cancellation of allotment are being initiated separately.
