(IT DIVISION)**

DSI IDC/06/ERP/2024-25/1199

Dated : 16<sup>th</sup> Jan, 2025

In the recent meeting held on 15-01-2025, it was desired by MD, DSI IDC that all the Divisions must start using already Live ERP Software for maintaining their data online. Credentials for using this software have already been shared with the concerned Divisions in the past. In case of any difficulties in using this system or non-availability of credentials, the same may be brought to the Notice of IT Division for providing support. In case no response is received from the concerned Division by 21-01-2025, it will be presumed that the system is working fine and no further modifications are required

A review in this regard will be done by MD, DSI IDC on 23-01-2025 to monitor the progress done by different Divisions.
