**Subject : Development of Delhi Land Bank Portal**

In the review meeting held on 25/08/2025 by Additional Secretary (UD), MHA on compliance reduction and deregulation in Union Territories, it was decided to develop Delhi Land Bank Portal, which will serve as a centralized, Online Hub to help investors locate suitable land parcels for Industrial and Infrastructure development in Delhi. It was further decided that the portal shall be developed by DSI IDC with the data on maps provided by GSDL regarding available land parcels in Delhi. IT Division has been assigned with the task of development of this Delhi Land Bank Portal.

The Concerned Divisional Heads of the Land Administration Divisions of DSI IDC namely REM, IEM and Relocation are therefore requested to provide information in respect of suitable vacant land parcels for making available on this portal by 10<sup>th</sup> September 2025. These land parcels will then be forwarded to our Engineering Division for verification with their actual coordinates for onwards submission to GSDL for depicting on the Map of Delhi.
