Extension of time for payment of balance cost of plots/flatted factories (with interest) by the allottees listed on DSIIDC website under Relocation Scheme.

DSIIDC has allowed extension of time upto **31.03.2018** for payment of balance cost of plots/flatted factories with interest @18% p.a., by only those allottees under the Relocation Scheme whose names and application nos. are appearing in the list so displayed on DSIIDC's website www.dsiidc.org. As the date of allotment and payment schedule differ from case to case, the calculation of interest on daily basis will also differ, the allottees are, therefore, advised to contact Relocation Division office for calculation & uploading of outstanding amount against them on "**Allottees Friendly Portal**" of DSIIDC on the date of payment online/offline through Kotak Mahindra Bank. Notice-cum-intimation letters are also being sent separately to each of the listed allottees in this regard.

Please note that this is the last opportunity granted by DSIIDC, failing which, it will be presumed that you are no more interested in the above allotments. Therefore, necessary action of cancellation of existing allotments of plots/flatted factories against your names & application nos. under the Relocation Scheme will be initiated which may include the action of forfeiture of your deposits.
